Reissue Applications

Priority

Acknowledgment is made of applicant's claim for priority under 35 U.S.C. § 119. The certified copies (JP 5-038138 and JP 6-022653) have been filed in parent application, Serial No 07/389579, filed on Aug 26/1993.

Preliminary Amendment Acknowledgment

Receipt is acknowledged of Preliminary Amendment filed 11-3-2000.

Original Patent

The original patent, or an affidavit or declaration as to loss or inaccessibility of the original patent, must be received before this reissue application can be allowed. See 37 CFR 1.178.

Information Disclosure Statement

Every reference cited in the original application must be cited in Reissue application prior to allowance. Please provide a copy of PTO-1449.

35 U.S.C. 251 Rejection

Claims 3-5 are rejected under 35 U.S.C. 251 as being an improper recapture of broadened claimed subject matter surrendered in the application for the patent upon which the present reissue is based. See *Hester Industries, Inc.* v. *Stein, Inc.*, 142 F.3d 1472, 46 USPQ2d 1641 (Fed. Cir. 1998); *In re Clement,* 131 F.3d 1464, 45 USPQ2d 1161 (Fed. Cir. 1997); *Ball Corp.* v. *United States,* 729 F.2d 1429, 1436, 221 USPQ 289, 295 (Fed. Cir. 1984). A broadening aspect is present in the reissue which was not present in the application for patent. The record of the application for the patent shows that the broadening aspect (in the reissue) relates to subject matter that applicant previously surrendered during the prosecution of the application.

Accordingly, the narrow scope of the claims in the patent was not an error within the meaning of 35 U.S.C. 251, and the broader scope surrendered in the application for the patent cannot be recaptured by the filing of the present reissue application.

Broadening attempts to "recapture" claimed subject matter which was deliberately added, to

Broadening attempts to "recapture" claimed subject matter which was deliberately added, to overcome a rejection in the original application. Claims 6 and 7, in original application, were amended twice, on July 8/1996 and on April 2/ 1997.

Allowable Subject Matter

Original claims 1-2 are allowable over the prior art of record.
